“ Ms.McIntyre, was a wonderful lady, I met her for her through my job at the time, she had a warm heart and loved so many. She talked to me about her past as working in a tire shop that her and her husband owned in her younger years, She bragged about her grandchildren and her son.

I am glad I got to meet her and work for her the short period I did.
She will be greatly missed.

“ Ms. Jane (Janie), and I at one time were next door neighbors, and Ms. Janie had befriended me first, she brought me some of her homemade chocolate chip cookies. She had a neighborly loving personality, as though she had always known you. It was a privilege to have known her. When I moved back to Louisiana, we would talk on the phone twice a day, every day...rain or shine! I truly miss hearing her voice, and I find myself looking at the time, waiting for a call, or to call her.
I am so sorry for your unforeseen loss.
She was a genuine person and a great friend. She will always be in my heart.
Respectfully, Marlena
