“ Tracy and Family,

*I said a prayer for all of you
to thank the Lord above
for blessing you with a lifetime
of Tony's tenderhearted love.*

*I thanked God for the caring
all of you received from Tony through the years.
And that he will guide you with strength in his honor
while you navigate the pain, the loss, and the tears*

*And so, I thanked the Lord for the blessing of Tony for all of you,
his love, his humor, his support, touching your hearts,
all he has done for thee
And for being the best brother, father, uncle, son, husband, GIFT,
there could ever be.*

*You'll see him in the clouds above,
hear him whisper words of love,
you'll be together before long
until then listen to his song.*

*I offer my condolences to all of you, with much sympathy, sorrow,
and love.*
