

## Anthony Lynn Wilmoth

February 6, 1959 - April 18, 2021

Anthony Lynn Wilmoth was born on February 6th, 1959 in Hartshorne, Ok, the third of four children of AL Wilmoth, Jr. and Betty Ruth (Robison)Wilmoth. Known as Tony to his friends and family, he lived his life as a country boy. Tony loved hunting and fishing including yearly camping trips during deer season. Tony was an avid fan of music. When he was about 12 years old, his favorites were Dave Dudley and trucker songs. He even built his own CB shack. As he matured, John Prine became one of his all-time favorites. At some point in his youth, Tony's father nicknamed him "Hacksaw" and it stuck for life. Tony graduated from Buffalo Valley High School in 1977 and immediately pursued his life-long trade as a pipe welder. He traveled the U.S. from coast to coast, including Alaska, for almost 40 years. He was a union member throughout his career and retired from the Plumbers & Pipefitters, Local 100, Dallas, TX in 2014. Tony was fiercely loyal to his family and friends and he loved all animals. He had three very special friends in his dogs: Pretty Boy, Hooter and Gizmo. Tony met the love of his life, Jackie Brock, in 1987 and they married at the Miller County Courthouse, Texarkana, AR October 18, 2002. Tony and Jackie have been active members of Pike Baptist Church since 2005. Together they most recently shared their love for their three dogs, Little Miss, Mister and Belle along with a fairly recent addition of the cat, Gidget. Tony was proud of the newest members to the family who arrived in the form of three baby goats born April 7. Tony made a point of meeting people and made friends easily. He remained close with his childhood friends

and never had a neighbor he didn't know. On one trip driving to Alaska, in a Wal-Mart in Montana, someone called from down the isle, "Hacksaw?" and it was a guy he had worked with and formed a lasting friendship. That scenario happened many times in many different places. Tony was committed to living life to the fullest and took every opportunity to do just that. He was a funny, kind and good man who will be missed terribly by all who love him.

Tony was preceded in death by his precious mother, Betty Ruth Robinson Wilmoth; father A.L. Wilmoth, Jr.; older brother, Harper Wilmoth; mother-in-law ,Thelma Brock, and sister-in-law Debbie Bailey.

Tony is survived by his wife, Jackie Brock Wilmoth; sisters, Carolyn and Fred Jackson and Kelly and David Dyer, multiple nieces, nephews. cousins and many close friends.

“ My sincere condolences to Hacksaw's loved ones and family. Hacksaw had a unique ability to make you feel like he knew you all his life. I loved hearing him talk and although I haven't talked to him recently, wish I could have had one more visit. We will have that visit one day soon! So long old friend! Pat Blackburn

“ So sadden to read of Hacksaw's passing. Jr. & i were close cousins. Hacksaw & I had stay in contact since Jr's passing. My son Gary & Hacksaw always laughed as they remembered the fun times they shared as teenagers when we would come back home to visit family. I will miss his late night phone calls & the conversations we shared. The last one not that many days ago. Love & Prayers for all his family at this most difficult time. Cousin Betty Cooley Watson

“ I remember when Larry and I were dating, he would sometimes bring some younger guys to my dad's place to coon hunt down on the creek. My baby sister was about 4 and said she would marry Tony some day. We all laughed, but Tony was really sweet about it and told her he would wait for her to grow up. I always thought he had a wonderful spirit and loving heart. Tony, you will be missed! Look for Larry as you stroll the golden streets of Heaven! Prayers for your family. Regina Sage Kennedy
