“ *She was always kind to me. We only crossed paths for a short while many years ago but her goodness had a lasting impact on me. She gave me my first weenie dog, Shaggy. One time I was sick with food poisoning and she brought me a basket full of soups, sprite, and goodies to make me feel better. She was definitely one of God's kids then and now. See you soon sister.*

“ *I remember Autumn was just starting kindergarten in Girard, Ks and I was in 8th grade. She was always a smiling and happy little girl.*
