“ I have many memories of Bill taking him on his errands he always had to listen to all his songs he had put on a CD they were his favorites. He loved his family and friends. Putting peanuts in his coke plus eating his green jello at the western sizzler in Poteau. I could go on and on but everyone knows there are so many memories about him. He will be missed at all the family gatherings love you Bill you will be in my heart forever.
