“ *I've only known Brandy for a short time. A little over a year. She rapidly became a great friend. I actually thought of her as my little sister. She was a fantastic worker. Brandy was so proud of her kids. I could go on and on about her. Randy, rest easy. Already miss you. Love you 💔*

“ I worked with Brandy at Family Dollar in Plainview! She never ceased to amaze me! She was a very loyal friend. Brandy sent lits of snaps of bruce...her baby coon! He was just entering his "toddler" years. Brandy could devour a 12" sub in under record time. I dont know where she put all that food but she could slam them down. FAST! Brandy and I became really close the last couple of months. She will be missed here in Ne. My condolences to Brandys kids and family. Bub, you are one strong kiddo! My heart hurts for you! On my way to work the morning following her accident the song playing on the radio was "momma im coming home". I will miss my chats with Brandy and bruce stories.

“ Brandy was my volunteer helper, and a very excellent one, for two years in PreK, when I had her children in Pre-K, at Whitesboro. She earned my respect and admiration for her devotion, her understanding of children, and her willingness to work very hard, with just the knowledge that she was pouring good things into her children, and all of their classmates, as her reward. No doubt she was laying up treasures in heaven as well. I was always delighted to see her, and we kept in touch a bit, exchanging greetings from time to time, on holidays and such. I shall miss her and treasure her memory with love always.

“ She was my friend. We snapchated everyday. She loved the baby raccoon she had and was always asking questions. I will forever miss her but know she is celebrating new life with Jesus. I love you Brandy
