“ *She was special and cared for others, even as a young person. When Mother was going to college and away from home during the week, Brenda would fix our hair on the bus in the mornings! After a day when I skipped wearing one of the 'outfits' Mother left for us to wear each day--she started coming over to catch the bus with us (and yes, there were times she suggested I change my choice of clothes, haha) I thought she was the prettiest person ever! Condolences to all of her family. Floretta Joslin.*
