“ *Dear Ray and Dee,
Sorry to have heard about your dad. I chuckled when in the obituary it said "He loved the Lord but cussed cows". I totally get that. I lost my dad almost 30 years ago and its not a day that goes by that I don't think about him. I am sure you will be the same.*

“ We will cherish the memories of spending time with Mr B. at deer camp. He, at his age shows up with a truck load of camp fire wood. Says, we'll I am gonna set around the fire figured I should bring the wood. Ray and Dee are dear friends of ours, because of our friendship we were blessed with getting to know Mr. B. . Thank you Ray and Dee for allowing us to be a small part of your father's life. Our prayers are with your whole family. We love you guys.
