“ *carl (carlo) was a great guy and someone i was proud to call my friend. when he was working for latimer county sheriff's dept, i rode with him a couple of times. last year, i went into pam's diner for breakfast and the coffee table was full, so i sat at the next table over. carlo came in and a spot had opened at the coffee table and it was offered to him. he said "no, i'm sittin at darryl's table, he'll buy my breakfast."* everyone had a good laugh and i bought his breakfast. i'll miss him and his sense of humor. my sympathies to the family of Carl McIntosh. i'll always remember him as CARLO.
