“ Where do I start...Carol was not only my sister, she was truly my best friend. While I was growing up, she took care of me and taught me everything I know! She was my 2nd Momma! I am so thankful that my daughter and granddaughters brought me to visit her back in May! I Love you now and for Always!

“ Carol and I spent a lot of our younger years together. We thought we were typical wild teenagers when in reality we were very innocent and just had fun together. I was happy for her when she found Jack and had a daughter that loved her very much. I will miss talking with her. I love you, Carol. See you in a while
