“ Oh...the party going on in Heaven !!! My Aunt Carolyn was an amazing influence on my life. I was young, but was at Richard and Carolyn's wedding. I watched her get a mouth whoopin from grandpa, as he caught her smoking on the side of the house. She taught me how to put a kid on a mop to wax polish grandma's floors. The MOST important thing...she made me laugh, at her, with her and myself. I loved her so much, and I always knew, she loved me.
