“ I only got to meet my Aunt Clyda twice. We went back for a Sage family reunion, to see where my dad grew up and meet all our Sage family. Clyda was beautiful, kind and loving to me and my family from California. I loved hearing about her riding in rodeo's when I met her. Vern, Jeff and all the family are in my thoughts and prayers.

“ Loved this family dearly. Claudean and I were best friends in high school and the 3 of us played basketball together. Have spent many nights at their house growing up and making sweet memories.

“ I wish to send my deepest sympathy to Clyda's family. My sister and I played with Clyda and Claudean especially in the summer as children. Esp. remember the slate hills and grapevine swings on their place. Our dad worked with their brother at the dairy. Also went to school with them at BV,. As a new high school graduate, I rode back and forth to Wilburton with Clyda and her dad to work. We lost touch after I moved out of state.

*With fond memories I send loving thoughts to Clyda's family.

“ *Clyda was always smiling! She liked to tell me a story about my
mother (Jo Ann Kirkes) teaching her to drive, and running the car
through a bunch of chickens. She would get to laughing so hard she
could barely talk! I will miss seeing her at ballgames. I'm so sorry for
Vern and the rest of her family.*
