“ *I remember the first time I met Cody. It was the day of his and Candeeda's wedding. He was larger than life, handsome and unassuming. I saw him interact with his two young sons and I was struck by how soft spoken, gentle and loving he was with them. Rest in peace Cody Brown.*

“ *Cody taught me how to drive a standard pick up truck and when I burnt the clutch out of it he told me that was ok! He would get a new one and we would try again. He also got me a go-kart that I wrecked in their driveway about a week after he got it. He was kind and had a heart of gold. He loved his babies more than anything. He will be greatly missed!*
