“ My memory of Aunt Esther is at my bridal shower at patty's, I was so nervous and overwhelmed with the size of the Greenmyer family 😳 there was a lot of them 😊. I remember sitting next to my mama and all I can hear was this lady coming through the door asking “ where is this girl marrying my butler “? I had no idea who she was and no idea why she was calling Duane her butler 😬. I was so scared, lol , apparently Duane helped aunt Esther when he was little when she needed help. I will forever remember our first meeting ❤️ . We love you aunt Esther, until we meet again 🙏. Brenda & your Butler 😊

What a mark you have left in my life Esther. As a very young child I have so many wonderful memories. Heaven has gained a wonderful person who is now teaching Angels how to sing. My momma loved you, my daddy loved you and our whole family loved you. Thank you for being apart of our lives. I will never for get the impact you have made in my life. One more reason for us all to make it to heaven to be with you and all of those who have gone on before us. Love and condolences to all the greenmyers and wise family! Love you all!
