

Geoffrey Hinton

October 14, 1952 - April 21, 2023

Geoffrey Hinton went to be with the Lord on Friday, April 21, 2023 peacefully, at home, and surrounded by his family.

Geoff was born October 14, 1952 in the East End of London, making him a true cockney, and shortly after adopted by loving parents. At 14 years old, he attended boarding school aboard the training ship *Arethusa*, a four masted barque that currently serves as the museum ship *Peking* in Hamburg, Germany. He spent the next several years at sea, rising to the level of Able Seaman, and found his way onto the missionary ship *Logos*. Sailing around India and Southeast Asia, he met the love of his life, Lynette. After a friendship at sea and a subsequent courtship, they were married in Leicester, England in 1976.

Geoff and Lynette moved back to the United States and eventually settled in their permanent home in Talihina, Oklahoma, where they raised their children. His children and grandchildren have fond memories of fishing in the pond and building dams in the creek. He enjoyed retirement at home with Lynette, gardening and tinkering with his tractors. They entertained many guests.

Geoff was preceded in death by his father and mother, Frank and Etta Hinton. He is survived by his beloved wife, Lynette; children Joey and Cindy Hinton of Tucson, Arizona, Krista and Herschel Carswell of Boswell, and Frank and

Stephanie Hinton of Oklahoma City; and grandchildren Chelsea, Jared, Justin, Virginia, Ethan, and Virgil, and great-grandson Gus.

Geoff will be remembered by friends and family for being kind, warm, generous to a fault, and goofy. He could bring levity to any situation. He will be missed dearly, but his friends and family know he is with his Savior, and they will see him again.

The Family will hold a Celebration of Life Service on Saturday, May 27th at 11:00AM at Falfa Baptist Church in Falfa, Oklahoma.

Cremation services are being provided by McCarn Funeral Service.

“ I am so thankful to have him as my Dad. I have too many good memories to pick one, so I'll just say that no matter the situation, I always felt better after talking to him. If I was already happy, I was happier. If I thought the world was ending, he made me know that I would be able to get past whatever I was facing. Having fun was always a priority. Love you Dad!
