Tribute Wall

“ Aunt Georgia was one of my favorites she always loved having us over to help Milk those cows and then separating the cream to churn butter while we played cards and drank her Sweet Tea. I tell my grand daughters all the time about these memories. She had even shine the silver for the saddles when the girls were Rodeo contestants at the county fair in Santa Rosa. I also remember we spent time at the big ranch on the mountain were we go pick a persimmon to check what kind of winter we were going to have. Oh what a beautiful reunion in Heaven. There will be singing, laughter and I'm sure some very fond memories shared.
I love you and will miss seeing and hearing your voice.
Love from your niece Anita Kim Hall-Hamilton.
