“ *My grandmother; a beautiful inspiration. She kept a small bed and night gowns for me near her room. They looked like a tall, almost life-like doll would wear, but they were for me. My middle name is hers, I love it! Granny, I truly miss you. Ever since you've gone my days are determined by my breakfast sandwich cheese. Does it slide off the sandwich or not (it slid off the morning I grind out you died). I'm sorry I didn't get to spend more time with you. I'll see you again when I come home. Give my love to daddy, DJ, and grandpa.*
