“ So sorry to hear of Jake’s passing. We are in Texas for the winter and will be unable to attend the service. We spent many years working for the phone company together. You will be in our prayers. James and Lila Bell

“ Kim, and family. I am so sorry for the loss of Jake. I know he meant the world to you. I can just tell you I do know how you feel, losing the "love" of your life. With God's help, and grace, you will get thru this sad time. Kim, you and Jake were such a cute couple, and girl, you could keep up with him too. I pray for God to wrap his arms around you and your family, and comfort you, in only the way HE can. My heart goes out to you for sure. Love you, and miss seeing you.

“ Jake was a one in a million, he was always talking about horses and ranching. He would ask me if I made sure all the gates were shut and if the animals were up. Everyone who knew jake loved him so much. Jake will be missed by all who knew him. My condolences go out to his family.
