“ Jan and I went to school together at Buffalo Valley for 12 years. She played sports and was very good in all classes. One memory was when we were playing softball in the early years, when it was her at bat, she would stand at the place and would not strike until the ball was thrown exactly where she wanted it. and could wait until it was too.

*“ I haven't known Mrs. Lucas my entire life, but the day I met her I felt as if I had. She was so full of Jesus and love, and she shared both of those things so beautifully. I won't forget the precious words she spoke to my husband and I on our wedding day, or the prayer she prayed over our marriage. I know without a shadow of a doubt that Mrs. Lucas is exactly where she's always wanted to be, with Jesus. My heart is heavy at the loss of such a wonderful woman, but I hope we all find joy in knowing we will see her again.*
