“ *Nick and Helen had us over for Thanksgiving Lunch and I am sure we went deer hunting too. We were eating, I was still in HS, so Johnny and Greta were little, I think Nick was trying to keep up eating with me. Finally he ask me, "boy don't you ever get full?" I replied, "no, I don't get full, I just get tired of eating." We laughed about that statement for awhile. You guys were blessed with a great man in your lives. My prayers are with you. Troy Parton*
