“ *To all, hugs and prayers, sorry for the loss. As many know we adopted John & Teresa as our Texas parents on Redwood Trail and of course all the family. We were blessed to have them as neighbors and long time friends! John will be missed by all and I will have the great memories we made.*

The Euchre games with them was always fun and we often referred to him as “Pick'em up John”

One of the funniest memories was a visit to Oklahoma. John and I decided to take the boat out to fish. Janet and Teresa stayed in per Teresa's words “you twos are crazy it is too cold”. Well John and I were off on a early spring day, I professionally backed the trailer/boat into the landing with John all smiles in the boat. He was off and I parked the truck/trailer. John Pulled up to doc to fetch me, not sure what happened next.....but within a blink of an eye I was submerged in about 32 degree water. I recall John's swift action to get me to truck with heat full blast. We got back home and of course Teresa was like “I told you crazy people that was a dumb idea”. Over the years we laughed often about funny things that we did!

Pick'em John RIP and keep playing Euchre and fishing with Teresa now 🙏❤️🙏🐱

Love Liz & Janet
