“ *We thought of you today but that is nothing new. We thought about you yesterday and many days and years before that too. We think of you in silence and often speak your name. Now all we have are memories of so many fun times we've had together in our many decades of friendship. Your memory is our keepsake with which we'll never part. God has you in his keeping. We have you in our hearts.*

Rest in peace dear Judy. We love you.
