“ I clicked with her right off the bat when I first met her, she was such a sweet heart, My baby loved her too. Every time I seen her I would tell her she had the prettiest red hair and she did I loved her hair, last time she was over our house her and momma sat on the couch and just talked about the good old days and laughed, she will be dearly missed and loved by so many. 🧡

“ Judy was a cut-up in my class when I taught at Nashoba High School and was usually pestering me, but never in a disrespectful way. Typing used to be taught in school and Judy was one of the fastest that I had and was accurate too. I told her once that it embarrasses me that one of my students is a faster typer than me. My condolences to all of her family. Judy was a good, Christian lady who lived her life every day as an example for others to follow. May our Lord Jesus comfort all of you at this tough time in your lives.
