“ *What wonderful memories growing up at Honobia and going to church with Connie and Lee Roy. I loved to hear Lee Roy play his guitar and he and Connie singing. So glad I got a cassette of them singing. These precious people mean so much to me. I will never forget how they visited my mother, Lucille Mickle Cranford, every Saturday when she was in the nursing home. Prayers for family and loved ones. So looking forward to us all being together again.*
