Lesa Gail Robbins Childress, beloved daughter, mother, sister and friend was born on May 18th 1980 in McAlester, Oklahoma to Sandra and Willard Robbins. She left this world to reunite with her beloved father and grandparents on April 10th, 2024.

Lesa lived her young life in Buffalo Valley where she attended school until moving to Talihina and graduating from Whitesboro High School. Lesa had her first daughter Aimee and found her life long friend. She gained her beautiful bonus daughter Audrey, followed by her only son James (Monster Man) and last but not least her little spitfire Riley.

Lesa worked hard as an LPN until her precious Monster Man was born. She became a stay at home mom, dedicating her life to her four children. She loved them immensely. Lesa enjoyed running to the multiple school and sporting activities of her children. She enjoyed painting and loved to garden. She loved the ocean and being on the beach was her favorite place to be.

Lesa and her high school sweetheart, Israel Beddo moved back to the valley six years ago and they have been inseparable ever since. She loved the wildflowers that he would bring her above all other flowers.
