“ I remembering growing up with Linda. We lived a mile from each other and I would go to her house and ride horses. We went through school together. She was always sweet and nice to me. I'm so sorry about her passing and send condolences to her friends and family.

“ I got to know and love Linda in Durant, Ok at the local hospital.

She and Charlie were going to take my son, Danny, hunting, but my mom had surgery and was not doing well and he had to stay home . When she passed away we had to take her back to NY. The kids stayed in OK. Charlie and Linda drove 3 hrs to pick him up and keep him with them. And he shot his first deer! He has great memories from that time. I also have great memories !❤️❤️😭
