“ Linda was by far one of the sweetest, kindest, grateful, most compassionate people I have ever had the pleasure of knowing. She was always so happy to see me, and she enjoyed our little talks. I will miss her greatly, but I take comfort in knowing she’s whole again, she’s with the Lord.

Mickey,

You had so much on your plate, working, taking care of the house and taking care of your mom. I would tell Linda, "I don't know how she does it, she never stops ." you took excellent care of your mother and she would tell me all the time how much she appreciated you. You are a Superwoman in my eyes.
