“ My greatest memory of Susie Q is of her relentless praying for a family member. She never stopped asking the Church to help her pray. Through her actions I learned to never give up on the people I love. And because she prayed fervently believing that God would answer, her prayer was answered and she got to witness God's glory come down. I am so thankful for such a wonderful role model of a true Prayer Warrior! Although I moved away, I never forgot this all important Spiritual lesson. She will be missed dearly by all and hopefully she now knows what a tremendous Christian influence she was to those around her. I am blessed to have had the opportunity to be a part of her life.
