“ Dear Aunt Marilyn, I treasure all the special times we spent together and all the fun we had through the years. I loved sharing my life with you and doing things for you. You always had a special place in my heart. I admired the strength and courage you always maintained as you walked through some very hard times in your life and kept your sense of humor and smile. I will always remember you as the beautiful Aunt in this picture that you gave me years ago. Thank you for the gift of your love for me and my family. Mom, Sheila and I are so thankful we were given the time to be with you, to comfort you and share the last memories. Rejoice in heaven now because you are free. We will see you again. We love you.

“Marilyn Keith was the most wonderful, loving Aunt. She really cared about people, especially her family. I was proud to be her niece, and also to be considered to be her friend. We shared so many special memories of really fun times, and I treasure every memory of time spent with her. I know I will miss her for the rest of my life, and my heart will always have a special bond of love with her. God bless you, dear Aunt Marilyn. I know you're in His glorious presence now and forever, and I now look forward to the incredible reunion we'll have in His heavenly kingdom. I'm not sure you've ever realized just how much you're really loved, but I'm sure that I'm just one of many people who can honestly say that "I love you, Aunt Marilyn!"
Sincerely from your niece, Linda.
