I always loved your entire family. Coming home from Texas ,to visit With Bert and the rest of the family was exciting for me. I got to see Shirley and Virginia. Mark was the image of his mother,who I loved with all my heart. They both had that same grin that revealed the image of The Heavenly Father. A perpetual grin, not a temporary one. Florene the love you had for each other was so evident. Until you see him again,I know God will be-very near to you, with comfort love and He will strengthen you as only He can. Love in Christ,Carmen Winlock Parker.
