“ *It is with a sad heart that I write to express deep sympathy to your family upon the death of Myrna. During the years she worked at Minnetonka Camp I not only considered her a coworker but a friend.*

I valued Myrna's insights, her determination, her creativity and we were inspired by her enthusiasm for life. She was so much fun.

I know that words can do little to ease your burden of sorrow, but perhaps the memories of Myrna's many friends may give you some small measure of comfort

I grieve with you at her passing and feel grateful for having known her.

*With deepest sympathy,
Pam Jackson*

“ In my family she is a legend and the last of a generation. Just look at that smile! She was funny, ornery, and just a blessing to be around. Will never forget all the times her family spent with ours around a dinner table, card table, or sitting in the yard shooting the bull. She raised some really good kids I am proud to call my cousins, and she will truly be missed. What a wonderful soul and spirit! Love you Myrna!
