“ We are so very sorry for your loss. Natha was such a good friend to Emmy and helped her so much after Mike passed away. She was so smart and capable and we surely did enjoy visiting with her and seeing her hold her own with Mike. He couldn't get anything over on Natha which tickled us quite a bit. Natha was a wonderful one of a kind lady and you girls were so blessed to have her as your mom. I loved her smile! Talihina won't ever be the same without Natha. We are unable to attend the service due to another commitment, but send you our sincere condolences. With deepest sympathy, Larry and Marilyn Dresser.
