“ *I am so grateful to have had Paul “Papaw” as my grandfather. He was feisty and funny, and everything a grandpa should be. I remember waking up in the middle of the night to check the “magical money duck” and him showing me how to collect eggs from the chickens when I was a small child. He let me drive for the very first time (when I was way too young), and gave me my first taste of moonshine with a big wink as a teenager. I will never forget watching his joy as he played with my son. I will forever cherish these precious memories and be thankful for his impact on my life.*

“ Paul was my grandpa and was one of the best! Every little girl deserves a papaw and I certainly had that with him. I’m so thankful for the 39 years I had with him as my papaw and for all the wonderful memories. He will be greatly missed!!

“ My Dad, Paul Hale had a good life. He was a hardworking, fun loving man with a great sense of humor. He had three brothers and one sister and for those who may remember them, they were certainly a colorful bunch. They remained close throughout their lives and my Dad was the last to go. He was a great father and the best man at my wedding. He was deeply loved and will be greatly missed.
