“ I have SO many memories of you Rachel.. You always were one of my favorite cousins..I can remember when I was little us riding my horse and u never letting me ride in the back, u always made me ride in front for fear I would fall off.. lol I remember you always being there for me. No matter how much time had passed since we last seen each other once we got together it was like we were never apart.. I knew if ever there was anyone on this earth I could count on to have my back right or wrong it was you.. I'm gonna miss you so much!! This world lost a hell of a woman the other day who can never be replaced.. I love you!!!
