“ I feel so privileged to have known Regina. She was such a shining light in our community. I have to say that when I think of Regina, I think of the words true lady! I never heard her say a bad word about anyone. She always greeted you with a smile and warm welcome. She loved her community and we all loved her. She spoke of her family often. The love she had for all of you was limitless. I am so sorry I won't be seeing her in our town anymore but I will think of her often and I will try to be as gracious as she was. Safe journey Regina!!!
