“ I first met Buster when he was visiting his grandma Jenny at her store! That was many years ago. I don't think he was attending school yet.

Many years later he was my boss! I was one of the crew planting trees on top of the mountain. He had to come behind us & make sure we didn't J root the trees we planted. To do that, he had to dig one up without disturbing the roots.

I begged him to not pick me as I was planting in rocky soil! But he did it anyway! Everyone that near me was watching to see if I had passed the test.

Guess what? My tree roots were straight as an arrow! I just laughed out loud as I thought with that soil being so rough I would fail the test! He never checked anymore of my trees. Connie Fewell Chadwell. God be with his family & friends. 🙏🙏🙏
