“ I could write a book on memories of my friend of over 75 years! All great memories, we grew up together in Buffalo Valley. We kept in phone contact on a monthly basis, always remembering our days growing up in Buffalo Valley. I always visited with Roy when I came home for School Reunion, I could count on Roy to always have some "light refreshment" on hand. I miss talking to my old friend Roy, and think of him often. I am closing in on 83 years young, and will remember Roy the rest of my days. Rest in peace my old and true friend. Jerry Combs, Railroad Flat California
