“ We will miss you so much. When I married Mark, you treated him as if he was always part of the family, and I will never forget it. I love you and I am sad for us, but so happy you are now fully healed and getting to be with family who have gone on before us. Until we see you again, Aunt Ruby. ❤️

“ Always enjoyed being in your home. Our visits were not often yet wholesome, loved sharing family history and photos from days gone by. Always left with something to take home as Ruby was most generous and thoughtful of us. Rest in Peace
