“ Steve, you were one of the nicest people I ever met. I wrote an earlier note but said some things about *THAT PERSON* you were married to first and I guess they wouldn't print it. Altho there was nothing in there but the *TRUTH!* But *RIP* sweet man. I've never since met anyone as truly nice as you. Its a real shame you had to marry *THAT FIRST ONE*. I'm sure you finally found your ray of sunshine. And I'm sure she finally found her *YOU KNOW WHAT!!!* *RIP, STEVE.*

“ I'm pretty sure he is the Steve Followill that I taught at Tuskahoma High School back in the 60's. Steve was a good kid that I enjoyed having in class and was never disrespectful and always did his lessons and anything that I asked him to do. I'm so sorry to hear about his passing and my thoughts and prayers go out to his family. He was the kind of kid that anyone would want to have as their own. Rest in peace, Steve.

I have lots of childhood memories of steve and his family I always loved steve. Mom was talking about the time her and dad didn't go dancing with them and they all came back that night after dancing and toilet papered our house, I'm sure our friends got the blame for it considering adults didn't usually do that. Lol we will all miss Steve and send all our love thoughts and prayers to the family.. R.i.P steve you will be missed by many. Love the Morris family
