“ Watched TIMMY grow up around Vandervoort & Cove area. Happy go lucky & enjoyed life to the fullest back then. When he was an adult, I was hurrying one time to the Vandervoort Picnic in one of those little mini foreign pickups on a dirt backroad I lived on. I guess I was traveling faster then I thought when I hit loose sand six inches deep & slide sideways couple times & flipped that pickup on its side. And as I was sticking my head up & out the topside of that pickup in the middle of its dust cloud it had created, up drives TIMMY. When he seen who it was & that I wasn't hurt, he couldn't help but laugh & laugh how funny I looked with only my head sticking out.
