

Vickie Darlene Bryant

August 1, 1961 - April 7, 2026

Vickie Darlene (Conley) Bryant, age 64 of Talihina, Oklahoma passed away from this life on April 7, 2026 in Talihina, Oklahoma. Vickie was born on August 1, 1961 in Clayton, Oklahoma to Celia Irene (Scott) Conley and Franklin Delano Conley. Vickie Bryant lived the kind of life people talk about long after the room goes quiet- a life full of warmth, laughter and a whole lot of home made rolls.

Vickie had a gift you can't teach; she never met a stranger. Whether you were family, friend, or someone she'd just met in passing, you were treated like you belonged. She had a way of making people feel seen, fed, and cared for-often all at the same time.

She is survived by her husband, David Bryant; daughters, Rebecca Jost (Lony), and Heather Diaz (Anthony). Her greatest title, though was "Nana" as she lovingly called by her grandchildren - Josey, Wyatt, Lynleigh, and Addison- who knew firsthand what it meant to be completely and unapologetically spoiled. And while Nana loved them all deeply, family tradition (and a little good-natured teasing) will forever insist that Wyatt was the favorite - though Nana would probably argue she just had a "condition" - something like love mixed with a touch of rabies that made her so crazy about each of them. Vickie also leaves behind her sisters, Sally, Laura, Wanda and Cathy, along with many nieces and nephews who were lucky enough to experience her kindness, humor, and open door heart.

For years, Vickie worked in the kitchen at the Talihina Public School, where she did far more than serve meals- she fed hearts. The kids loved her, and she loved them right back. To many, she was more than just a familiar face in the lunch line -she was comfort, consistency, and care in the middle of their day. Outside of work, Vickie found joy in the simple things; gardening, baking her famous rolls and cinnamon rolls (which had a way of showing up exactly when someone needed them most), and pouring love into her family. Her home- and her kitchen - were places where people gathered, laughed, and felt safe. And if you ever stopped by, there was a good chance you might find her in one of her well-earned naps- because loving that hard and feeding that many people is exhausting work, and she had it down to an art form. Vickie loved big. No conditions, no holding back. And if you were lucky enough to be on the receiving end of that love, you knew it.

Her legacy isn't just in the family she leaves behind, but in the countless lives she touched with a kind word, a warm meal, or a simple act of generosity. The world feels a little less cozy without her - but a whole lot better because she was here.

She will be deeply missed, fondly remembered, and forever loved.
