“ *When we lived in Talihina I got to know Dave and Carolyn real well. He was my husband's cousin. One year just before Easter he bought a cement truck barrel and was going to turn it into a storm cellar. They went somewhere and while they were gone I went over and painted it like an Easter egg. It took him a while before he decided it must have been me. I'm sure when it went in the ground it still had Happy Easter painted on it. He always had some good stories to tell. Lovely person!! He will be greatly missed.*
